## QHSE Policy

**GIZA CABLE INDUSTRIES** is distinguished by variety of its products of cables (up to 220 KV) & overhead transmission lines.

We are committed as one team to conform to our customer's requirements on time, first time & every time ; It is therefore **GIZA CABLE INDUSTRIES** 'policy to:

- Consistently comply with ISO 9001: 2015; ISO 14001: 2015 ; ISO 45001: 2018 & SA8000:2014 requirements to ensure & continually improve the effectiveness of the Management System and our business processes, products & services .
- Ensuring that all employees are competent & qualified for the tasks they perform, and fostering their skills to strengthen their awareness towards quality.
- Achieving ongoing customer satisfaction; development of sales & open new markets.
- Reduce accidents & injuries and preserve the health & safety of workers and prevent pollution of the environment.
- Working with reliable suppliers whose products and services meet our quality standards.
- Full compliance with the laws; regulations and any other requirements of the Environment, Safety ; Occupational Health and Social Responsibility.
- Interlink our success with responsible behavior towards people; the environment and Society .

This policy supports the implementation of our strategy and outlays the framework for setting out our quality objectives; and is reviewed periodically during the management review meetings for continuing suitability.

So it has become obligatory for all departments managers to communicate the Quality policy within the company & to issue detailed Quality objectives and establish programs to achieve it.

Ahmed Mohsen  
Managing Director
